

Terms and Conditions

1. Register

1. You can only register via the website. After filling in and sending the registration form you're officially registered. Upward of that date, your contribution payments will start. After registration you will receive a manually sent email with information about the first payment. This payment should be paid as soon as possible by bank. After registration/payment, a photo will be taken of you and you will receive a membership card at the school.
2. You must bring your membership card with you to every class. You hand it in at the counter. This pass will be scanned and, if you wish, you will receive a key for a locker. If you forget the pass or in case of overdue payment, we unfortunately cannot grant you access to the lesson. Everyone is obliged to report to the counter. We also want to know who is in the house, also for safety reasons. *

**Due to COVID-19 we temporarily don't register at the counter, but through the attendance list in class.*

2. Payments

1. The payment upon registration consists of the registration fee, the contribution of the first month and the contribution of an additional month that will count as the 'month of cancellation'. The cancellation month must always be equal to the amount of the monthly contribution. This will eventually be used as the last month's contribution after written cancellation.
2. The monthly contribution must be paid before the 8th of the month. You can transfer the amount due via our bank number NL51INGB0009114968 in the name of Leidse Ballet & Theater School stating the month, name of student and membership number.
3. You are responsible for making your payments on time. No invoices will be sent and payments will never be refunded.
4. The season runs from September to June. The short school holidays must be paid for; the summer holidays (July and August) not. The holidays and days off can be found on our website.

3. Delinquent Payments

1. In the event of late payment, a free reminder will be sent first. This is followed by 2 more reminders, whereby €5 administration costs are charged each time.
2. If you have not paid after two reminders, you will receive a notice of default. You then have five days to make the payment including the administration costs already charged. If the payment is not made within five days after the notice of default, the outstanding payment will be transferred to a collection agency.

4. Canceling your subscription

1. You must cancel your lesson(s) in writing. You can cancel by sending an email to info@lbts.nl. When you cancel, you will receive a confirmation, keep it well. This is proof that you no longer owe any contribution. Without cancellation, your

subscription will continue, even if you no longer attend. So cancel in time, because refund of tuition or the cancellation month is not possible!

2. If you want to cancel and do this before the 8th of the month, the cancellation month already paid when registering can still apply for that same month. If you cancel on or after the 8th of a month, you still have to pay this month. The cancellation month then only applies for the following month.
3. The season runs from September to June. Don't want to come back after the summer break? Then cancel your subscription before 8 June.
4. The class schedule changes every year. So keep in mind that the time of your lesson can always change in the new season. Do you not want to take the risk that you will no longer be able to take your class in the new season? Then also cancel before June 8th.
5. COVID-19: In the unlikely event that the government temporarily closes us, we will continue online under the same conditions. You can of course always terminate your subscription according to the always applicable rules.

5. Temporarily suspend subscription

1. It is not possible to temporarily stop your subscription. An exception is only made in the event of pregnancy and long-term injury/illness. You must submit a medical certificate for this to our school.

6. Unsubscribe from a lesson/make-up lessons

1. If you are unable to attend your class, you can unsubscribe by e-mail at info@lbts.nl.

1. Trial lessons can be requested via the website.
2. Individual lessons can also be requested via the website. Individual lessons are only possible if there is room in the lesson in question. Registered members have priority.
